Attention: Managing Director of Silvan Property Co., Ltd.
Attachment: 1. Copy of Letter of Envi-Expert Co., Ltd., No. TPP 002/2559 dated 30th
May 2016
2. Copy of Letter of Phuket Province No. Phor.Gor. 0013.2/13186 dated
8th September 2016
3. Conclusion on protection and correction measure for environmental
impact and monitoring measure for environmental impact on The
Panora Phuket that Silvan Property Co., Ltd. must strictly adhere.
4. Guidelines for reporting on compliance with protection and correction
measure for environmental impact and monitoring measure for
environmental impact for building, land development and community
service.

In a reference that Silvan Property Co., Ltd. has engaged and empowered Envi-Expert Co., Ltd. to compile and submit the Environmental Impact Assessment of the The Panora Phuket Condominium Project of Silvan Property Co., Ltd., located at Surin Beach 4 Alley, Cherngtalay Sub-district, Thalang District, Phuket Province, which is a residential project (condominium) consisting of 450 units, for the Office of Natural Resources and Environmental Policy and Planning to take the report into consideration as per Attachment No. 1.

The Office of Natural Resources and Environmental Policy and Planning has made consideration and the Phuket Province has informed the resolution of IEE & EIA Specialist Committee for the Environment Protection Zone of Phuket Province in the Meeting No. 12/2559 dated 25th August 2016. The Specialist Committee made resolution to approve the EIA of The Panora Phuket Condominium Project of Silvan Property Co., Ltd. as per Attachment No. 2. In such regard, Silvan Property Co., Ltd., the project owner must strictly adhere to environmental impact protection and correction measures and environmental impact monitoring measure as proposed in the report. When the Project has obtained the construction permit, please provide a copy plus other conditions to our Office. Furthermore,

when the project commences the operation, please submit report in regard of the compliance with environmental impact protection and correction measures and environmental impact monitoring measure as per details specified in Attachment No. 3 and No. 4. The project must also comply with other relevant laws and coordinate with the report compiler for them to collect all information sorting by the respective considerations of the Specialist Committee and combine together into a report as well as recording them into 2 CD-ROM's in Adobe Acrobat digital file (*.pdf). They must also provide 3 fully revised reports containing opinions of Specialist Committee and record them into 8 CD-ROM's in Adobe Acrobat digital file (*.pdf) and to submit to the Office within 1 month for use as reference and to pass on to other relevant offices. Furthermore, the Office has already sent a copy of this letter to Envi-Expert Co., Ltd. for further action.

Please be informed accordingly for further action.

Sincerely yours,

-Signature-
